

Outside Recreation Advocacy, Inc

Membership Information

In January 2009 the Chico City Council approved the construction of a disc golf course in Chico's Bidwell Park. One of the requirements of the project is that a stand-alone non-profit be formed to manage the site. This non-profit will consistently apply mitigation measures to limit the environmental impacts caused by outdoor recreation. The activity of the non-profit will act to lessen the burden of maintenance on local government.

Outside Recreation Advocacy, Inc was organized on 4-16-09 to meet this requirement. One of our objectives is to raise public funds to construct and maintain a recreation facility open to the public. We will also apply mitigation measures as called for in the project's environmental review documents. We will provide ongoing maintenance through the corporation's volunteer base. Other objectives include promoting environmental stewardship of our park system through educational outreach efforts, and educating the public on the benefits of outdoor recreation.

Benefits

All paid members will receive a custom designed Outsiders member t-shirt, disc golf bag tag, invitations to "members only" events and discounts on custom designed disc's and tournament entry fees.

T-shirts are custom designed by the non-profit and are only for members. Members are able to purchase additional t-shirts for their spouse and children for \$10.00 each.

The bag tags are numbered tags given to all members who would be playing disc golf. You will be able to challenge anyone with a lower number than you. If you win then you would trade tags with that person. Whoever has the #1 tag at the annual meeting will receive a prize.

The custom designed discs are a fundraising item sold to help raise the funds needed to construct and maintain the disc golf courses. Members will receive a 25% discount on these discs sold subsequent to this policy's creation. Each order will have a different design. Please go to the website, www.chico-outsiders.com to see the first design. Members will also receive a 25% discount on entry fees for tournaments.

The member only events will be held in addition to the annual meeting. Members will receive invitations to these events as they are scheduled. We expect to hold at least 2 events per year. These events could include the Summer Solstice Slam, a weekend long disc golf tournament that plays at different courses. See the Outsiders web site, www.chico-outsiders.com for information and photos from last year's event.

At this time our primary focus is to raise the funds and secure volunteer help for the construction of the disc golf courses at the Highway 32 site. Once this is accomplished, we will be able to look at other outside recreations that we can benefit. For that reason, we ask that as members you assist in whatever capacity you can. We will be scheduling clean-up days for the Highway 32 site and/or other parts of the park. (ie: Sherwood Forest kids course, Caper Acres, etc). This becomes a benefit for the entire community by making our park a clean and healthy place where people want to be.

How To Join: Fill out the form below and mail the annual membership fee to...

The Outsiders

PO Box 7762

Chico, CA 96926

Checks should be made out to "The Outsiders"
